## PARENTS' ORIENTATION PROGRAMME

Griffins International School organised Parents' Orientation Programme 2019-20 on April 27, 2019. The aim was to familiarize the parents with the curriculum and rules and regulations of the school. The session started with a welcome note by our Middle- Section Coordinator, Ms. Alka Devi. It was followed by an interesting lecture by our Chairman, Mr. Abishek Yadav and our Principal, Mrs. Sarbari Brahma. Our Chairman laid stress on the point that Speaking English is compulsory for all students, both in school and at home. Parents were asked to desist their children from using mobile phones. Certain cartoons like Doremon, Sinchan are not appropriate to be viewed. So the parents were requested to refrain their children from watching the same. Parents' concerns were addressed by both Chairman Sir and Principal Madam, regarding academic/ non-academic. The parents were also briefed about the rules and regulations of the school. Guidelines for parents, fees structure, guidelines regarding school uniform and when and how to communicate with the teachers were well explained by our Principal Madam, Mrs. Sarbari Brahma.

# CUB REPORTER

Poila Boisakh re-ignites within me a whole bunch of memories. But I particularly remember one years ago because it was a very fulfilling day spent with my cousins. As I was a kid, my day had begun by collecting flowers in my neighbourhood for Ganesh Puja. We had a grand feast, not on plates but banana leaves. The menu included so many items, from *doi katla* and *enchor chingri* to *sphotic chutney*.

Poila Boisakh brings a whole bunch of sweet memories. One such is of last year. What's worth remembering is that my grandmother also joined in the celebrations at home and cooked the day's lunch. It was authentic Bengali cuisine.

In this quest of mine, if a few good things can be done by which the society gets benefitted, it would be my real achievement.
