WHAT'S SPECIAL...??

ADVENTURE CAMP

Afraid of height? Prefer the complicated way? Love to camp?.....

If the answer to these questions is “YES” then Griffins International School is your perfect destination. In order to inculcate different life skills, Griffins International School in collaboration with New Horizon Adventures, New Delhi, organized an Adventure Camp in the school compound from 21.01.2019 to 23.01.2019. The Adventure Camp was exclusively designed for school students to implant competitiveness, team spirit and develop courage with a ‘never give up attitude’.

The first camping day was dedicated to the students of grades I, II, III & V while the second and third day was designed for senior and pre-primary students respectively. The entire field had been transformed for the purpose. It looked inviting and the students couldn't wait to begin the day. Before commencement, the organisers described the activities to the children and explained why they were beneficial.

The instructors then demonstrated how each equipment was to be handled. The children came forward and embarked on the exercises as per instructions. They participated in various activities such as, Flying Fox, Free Fall, Tarzan Swing, Rope Climbing, Monkey Crawl, Double Rope Bridge, Commando Crawl, Burma Bridge, Commando Net, Twine, Hopscotch, Tyre Cron, Zorbing Ball, Body Zorb and Hot Air Ballooning. Some screamed, some cried,

some sobbedBut after they completed the task, they had a glee on their face as they blushed and in their minds they said “I DID IT”.

Parents were also welcomed to experience the joy of hot air balloon ride. The camp was duly supervised by the school teachers and professional instructors from New Horizon Adventures. Dressed in their tracksuits, students had a joyful and enriching experience. The amount of energy and enthusiasm exhibited by them was enthralling. The camp ended with a bonfire in the evening wherein the students faced the challenge of cooking food in adverse situations. They

danced and sang to enliven the spirit of bonfire. Best campers, captains and teams were given away awards by the Chairman of the School Managing Committee, Mr. Abishek Kumar Yadav and the Principal Mrs. Renu Aneja. In her address, Mrs. Aneja added, how these camps inculcate various life skills in a student's mind, body and soul. The days were filled with fun and the students returned home with memories to be cherished forever.

EXPERIENCE OF THE STUDENTS

It felt very nice. I was afraid of the free fall. But I enjoyed the zorb.

SIDDHI DWIVEDI
Grade I

"This camp was something new to us. We enjoyed and had fun. I'm very happy that I won the award for the best camper."

MANASVI SINGH
Grade VIII

I was very excited during the flying fox but when my turn came I became so scared that I started screaming.

SUNETRA DAS
Grade VIII

"I was the captain of the team "The Super Campers". I was very excited for this camp. The rappelling felt like I was scaling the Mt. Everest."

RITUL KUMAR
Grade VIII

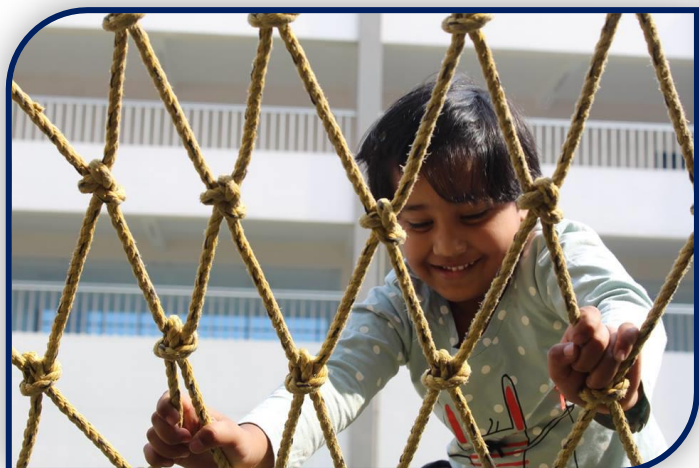

It felt very exciting, I was not afraid of anything except the free fall."

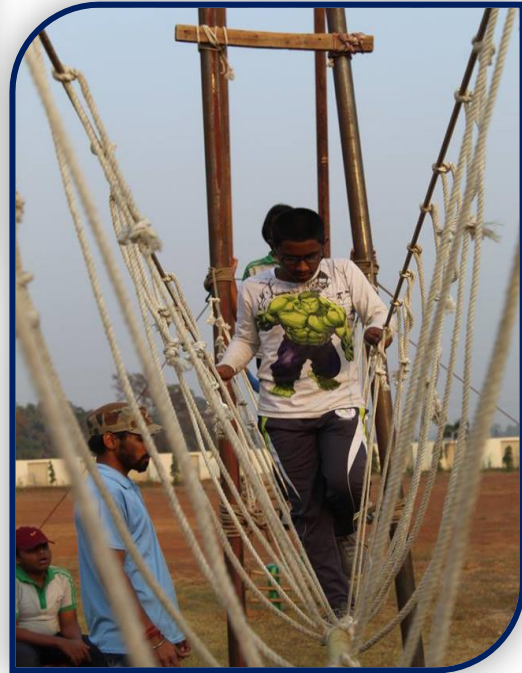

ASIFA BEGUM
Grade V

WHAT'S SPECIAL...??

70TH REPUBLIC DAY CELEBRATION

It is said that the flag is much more than just ink and cloth. It is the universally recognized symbol of liberty and peace. It is the history of our nation marked by the blood of those who died defending it.

The students of Griffins International School paid their respect towards the nation on 26th January, 2019 on the occasion of 70th Republic Day of our country. The tricolor flag was unfurled by the Chairman of the school managing committee, Mr. Abishek Kumar Yadav and the Principal Mrs. Renu Aneja, followed by the national anthem and a band display. The students presented a fabulous cultural programme, which included a patriotic song by the school choir, a fantabulous Bengali poem recitation, an amazing dance and a terrific unconventional orchestra.

The school gladly announced the results and felicitated the winners of the different competitions organised on 09th Dec, 2018 (Human Rights Day).

The programme ended on a high note with the Chairman's speech. He emphasized that we should always look after what we do for our country....not what our country has done for us. The day which should be remembered for the services that we as proud citizens render for our country rather than focussing on our petty differences which disrupts the very unity of INDIA.....
OUR INDIA.

CUB REPORTER

To me, Saraswati Puja means a day in the exam season when I don't have to study! It also means eating the tasty *prasad*!

— **Debatra Maity**
Class VII, Griffins International School

YOUNG METRO

FACE OFF

Pratyay Poddar of Class VI, Griffins International School, sat still as his teacher painted his face. The mime performer in X-Factor didn't speak much after getting his face painted and patiently waited for his turn on the stage.

Griffins International School boys (above right) observed the ambience of a local train while coming from Kharagpur and recreated the scene by using plastic glasses, a tea kettle, an empty suitcase, glass bottles, pens and a *jhal-muri* ensemble they made. All this with just three hours of practice and the judges were awestruck by their performance. As a result, they edged past Sunrise English Medium School (right), who won the title last year, to clinch the top spot. The Sunrise boys put up an equally smashing, if not better, performance using objects ranging from buckets, steel pipes, bottles, plates to PVC pipes and iron washers. The second runner-up prize went to Techno India Public School, Garia (picture above left), who created music using paint and water buckets, glass and plastic bottles, cap-guns and steel pots.

 Teaching Experience -5 years

 Educational qualifications-M.A specialization in Hindi, B.Ed.,
Diploma in computer

 Achievement-

- ♣ Cleared Central Teaching Eligibility Test (CTET) twice.
- ♣ Green belt in Karate
- ♣ Participated in workshop for “ART AND CRAFTS” organized by Resource centre of NCERT-NEW DELHI

 I love to write poems. My first aim in life is to be a good human being. As a felicitator I inspire my students to always be disciplined in their life. I inspire them to dream big, work hard and dare to become better than they were before. I try to motivate them to see the positive side of everything and support them as much as I can. In my class, students are free to give their ideas and views and think critically. As a result, they construct their own knowledge.

Ms. KIRAN KUMARI SHARMA
TGT (Hindi)
Class Teacher – IV A

Mrs. Moulami Mallick
PRT (Bengali)
Class Teacher – IV B

 Teaching Experience - 4yrs 10 months

 Educational Qualification- B.A & M.A in Bengali, B.Ed, WBTEF .

 Professional Qualification -

- ♣ 5 year in painting from Bangiya Sangeet Parishad.
- ♣ Completed Vocal till 3rd yr from Lalit Kala Music College.

Apart from teaching I am truly passionate about music and in my leisure time I love to nurture it, and one day by God's grace I dream of becoming a playback singer. My hobbies include music, cooking & shopping.

I am also an adventure enthusiast & love taking up adventurous camps & trips as and when possible .For my students, I always try to be proactive & make the sessions as much interactive as possible. I try & make them self-dependent so that they can build upon their analytical skills and make use of it. I browse through brain storming session and implement them in my class as well. Along with my professional and personal life ,I aim & aspire to be a complete woman and a responsible citizen to lead an equal and respectful position in the society. I also want and aim of building a society where woman are treated equally and also want my students to think in the same path.

- ✍ Teaching Experience - 3yrs
- ✍ Educational Qualifications - M.A in hindi from RBU
B.Ed from MDU.
- ✍ Hobbies - Travelling , cooking , Reading
- ✍ I chose teaching because being with children is like being endowed with perpetual youth. The love, laughter, mischief, creativity and imagination of children are like an eternal fountain of joy and vitality. I was awarded for the Best class decoration #Teacher's Appreciation Award at Griffins International School. I realised that through teaching I would be able to fulfil my soul's craving to make a contribution in shaping the world of tomorrow. I chose the profession because of the passionate conviction that in it lies my special destiny.

My Hobbies include reading, writing and also I love gardening and animal care.

Ms. Alka Devi
Middle Section Coordinator
Class Teacher - VIII

📖 Being a Math teacher, I believe that the only way to succeed is to have the interest in the concern subject. There is no short cut for success. I make my children feel free to ask any doubt, ensure that they think critically and explore themselves in different fields. There is a phrase "practice makes a man perfect", which I believe and also make my children to believe in.

I respect my profession and others too, which makes me a confident and trust worthy person.
