WHAT'S SPECIAL...??

5th INTERNATIONAL YOGA DAY

Yoga is an invaluable gift of India's ancient tradition. It is a powerful natural state that can inspire lives in many ways. International Yoga Day is celebrated every year on 21st June all over the world since its inception in 2015. In an endeavour to participate actively in the International Yoga Day, Griffins International School, Kharagpur, celebrated Yoga Day with great enthusiasm. Conducted by the Sports Department, the event gave the participants a great opportunity to imbibe the value of discipline in their lives. The event began with Warm Up exercises followed by Sitting, Standing and Lying Asanas like: Padmasana, Trikorasana, Ardha Chakrasana, Astrasana, Vrikshasana, Natrajasana, Goumukhasana, Bhujangaasana, Pranayama to name a few. The event came to an end with the collective chanting of "Om". The celebration concluded with an encouraging speech by our honourable Principal Ma'am. In her valuable speech, she explained how Yoga can help in bringing about a positive change in our lives and also help in connecting our self with the Self, which can eventually bring about a Holistic Development in the individual. Principal Ma'am also shared her experiences how Yoga helped her to unite the mind, body, thought and action and discover the true within her.

Glimpses of the session

ACHIEVERS BEYOND THE PERIPHERY

Congratulations!

Ms. Anjali Sharma
PRT Mathematics
Class Teacher – III B

CENa Certification is a high-quality assessment of teaching competencies which are structured as five Micro-Credentials. It is based on the internationally benchmarked CENa Standards and connects outstanding teachers to career growth opportunities and professional development

We feel proud to congratulate Ms. Anjali Sharma for scoring among the Top 50 (Rank – 36) in the Eastern region (Eastern region (Odissa, West Bengal, Jharkhand).

GE Additive **General Electric ADDITIVE EDUCATION PROGRAM: 2019 – 2020**

We are happy to announce that Griffins International School has been selected for the GE ADDITIVE EDUCATION PROGRAM 2019-20 among the 3,500 schools from 48 countries that had applied for it. GE is a leading end-user and innovator in additive manufacturing and this Program is building an ecosystem for 3D printing in education by networking students, machines and content via an online platform, the Polar Cloud. The Polar Cloud will give us access to the tools being provided under the Program, including 3D printers, curricula, design software, apps, competitions and more, in a collaborative and secure environment.

The new 3D printer will add value to the already existing LEGO robotics lab.

ACHIEVERS BEYOND THE PERIPHERY

Congratulations!

National Quiz on Clean Ganga - "GANGA QUEST 2019"

It is an online quiz organized to create awareness and disseminate knowledge on River Ganga. The quiz was organised by NMCG in partnership with Wild Life Institute of India, Tree Craze Foundation, GIZ and VA Tech WABAG. Schools under CBSE Board, Navodaya Vidyalayas and other schools and academic institutions actively participated in the quiz competition and approximately 36,500 students/candidates participated in the competition from all corners of the country. The competition had four categories – upto class 8, class 8-10, class 11-12 and Open for All. Among the first 100 winners were our Shaan Bhattacharya and Deborshi Mukherjee of Grade VIII who were felicitated on 5th June 2019 (World Environment Day 2019). Shri Gajendra Singh Shekhawat, Union Minister for Jal Shakti gave away the certificates. Secretary, NMCG Shri U.P. Singh and Director General, NMCG Shri Rajiv Ranjan Mishra along with other senior officials of the ministry were also present on the occasion.

QUEST FOR PERFECTION

WORKSHOP : SUMMER TINKERING FESTIVAL CONDUCTED BY : KENDRIYA VIDYALAYA NO.2, KHARAGPUR

Rishav Bhattacharya and Sohandip Giri of Grade VI participated in the Summer Tinkering Festival (2019).
Date - 8th and 9th June 2019.

Venue – Atal Tinkering Lab, Kendriya Vidyalaya No. 2, Kharagpur.

Participating schools- All the nearby Kendriya Vidyalaya of Kharagpur cluster (KV AFS SALUA, KV IIT, KV RC KHARAGPUR) and our school Griffins International.

Atal Tinkering Labs is the flagship initiative undertaken by NITI Aayog under the Atal Innovation Mission. Atal Tinkering Labs are aimed at inculcating the values of innovation, technology and entrepreneurship amongst India's youngsters. Atal Tinkering Labs are dedicated workspaces where students (Class 6th to Class 12th) learn innovation skills and develop ideas that will go on to transform India.
