

School Annual report 2021-22.

Special Assembly / Days:

Ambedkar Jayanti, Bengali New Year, World Heritage Day were celebrated. This list goes on with Special Assemblies like Mother's Day, Earth Day, Hindi Diwas, Gandhi Jayanti, Sports Day.

Pre School-Activities:

At Griffins, preschool education offers an enriched environment, academic simulation, and many socialization opportunities for children. A plethora of activities were held to cater continuous holistic development. To mention a few 'I am the best (talk show), shoe-lace activity, table etiquette, picture talk contest, calendar-making activity and role plays etc.

The day starts with thematic assemblies which facilitates to inculcate values and imbibe discipline. Little Griffinites appreciate the significance of the special days like World Kindness Day, Peace Day, Rabindranath Jayanti etc. "With the Parents for the Students" was a unique campaign launched by Griffins International School to make parents aware how the early childhood care plays a vital role in the development of the child.

At GIS, we endeavour to promote the concept of 'happy classroom' which leads the world with positive aspiration and impeccable values in a child. We appreciate the support and trust of the parents for all the achievements of the school.

Students' Achievements

Our students participated in various Olympiads, Sports and Performing Arts competitions and brought laurels to our school. Here are few achievements of some of our students.

- Simran Acharya won 1st prize at the District Trade Fair at Midnapur in the Business Plan Contest organized by Paschim Medinipur District Chamber of Commerce and Industries.

She was also awarded ₹10,000/- along with mentorship to build upon her business plan.

- Rohini Sadhu of Grade 10, Dibyasundar Paria of grade 8 were among top 50 students in Saksham National Competition 2020-21 organised by PCRA (Petroleum Conservation Research Association)

- Shaan Bhattacharya (2nd) and Sankalan Jana (3rd) were the VVM district toppers

Infrastructure Upgradation:

New Indoor Sports Studio was inaugurated on 15th December, 2021.

Boys' Boarding House:

The learning experience at boarding school is very different to the one at day school. Boarding schools have the advantage of being able to design and implement a curriculum that challenges and inspires their students.

The school Management started with Boys' boarding house from session 2022-23 with a thought process of providing students programs and activities which involves exploration, making friends is paramount and success is celebrated.

Currently we have 26 students for classes 4 to 12 on board. Grade 4 to 8 we have students staying in Dorms, two dorms are functional. For higher grades 9 to 12 we have twin sharing room facility. Parents are allowed to opt for weekly boarding facility wherein child gets to spend weekend with parents.

Integrated School Program (ISP):

It has been observed students who are JEE and NEET aspirants start very enthusiastically but struggle to strike a balance between Board Exam prep and competitive exam coaching. In some part of our country this issue has been addressed beautifully by embedding it into one program called INTEGRATED SCHOOL PROGRAM (ISP) to help student emerge successfully on both the fronts. It has been a tried and tested model.

Our School Management decided to leverage from the thought process and started with ISP in collaboration with Scholar's Den exactly two years ago. So, first batch of our students for this two years program is underway and will appear for the JEE and NEET exam in 2022-23. We are very hopeful of stupendous performance of our students.

ALUMNI Placement:

Our first outgoing Grade 12 batch of 45 students have made us proud. We can boast for their placement in top ranking university in India and abroad.

Reek Jana got selected in International Business Management in Technical University of Applied Science Berlin, Germany. Stella Das is studying Pol Science Hons in Delhi Univ, Pranav Tyagi is doing Chem Hons from Jamia Millia Delhi, Tanya Dhul and Prashant Oroan in NIT Agartala and Durgapur respectively, 8 students studying in KIIT (Kalinga Univ. of Industrial Technology) are just the few placements.

From all standards this is pretty impressive beginning. Just imagine how Griffinites will be scripting history 5 years down the line.

Board Exam Result:

This year we had second batch of grade 10 and first batch of grade 12 CBSE Board Exam. Hoimanti Ganguly scored highest aggregate score of 97.4 in Science Stream followed by Tania Dhull with 92.2%,

Reek Jana our topper for Commerce Stream with a score 80.4% and Anushka Sarkar topper of humanities Stream with a score of 86.4%. Hoimanti scored 100/100 in English.

Grade 10 Board result is truly to boost about with a batch average of 81.67% Sounit Bose topped with an aggregate score of 97.4, followed by Shantanu Mallick - 97.2 and Shruti Nayak - 96.8. 16 students scored an aggregate score of 90% and above in the batch with Highest score of 99 in English, Hindi, Bengali, Science, SST, AI and 95 in Mathematics.
